Topics: *April 1, 9a.m.-12p.m.* Handling for beginner dogs

April 1, 1p.m.-4 p.m. Serps and Threadles (AD and MA)

April 29, 9a.m.-12p.m. Contacts and Weave Proofing

April 29, 1p.m.-4 p.m. Information Processing for Dog and Handler. Sequences of 8-10 obstacles where there is a skill required at each obstacle. The handler must execute each skill, trust their dog to independently complete the skill, and move on in order to complete the sequence. Not for the faint of heart and not for the novice handler. (AD and MA)

"I have been active within the agility community for over 25 years as a competitor, judge and instructor. I have partnered with 6 Border Collies and have had much success with all of them, including many regional/national wins and placements. My philosophy is to build a strong and trusting relationship with the dog through positive interaction, develop an effective communication system, build independent skills in the dog and then have fun
