### **Canine Good Neighbour Test**

The test is non-competitive and allows dog and handler to demonstrate confidence and control in 12 steps. It assesses the handler and dog's relationship, together with the handler's ability to control the dog. Dogs are evaluated on their ability to perform basic exercises as well as their ability to demonstrate good manners in everyday situations.

The training program embraces both purebred and mixed-breed dogs and is fun, rewarding, and useful. It encourages owners to have a better and richer relationship with their dogs. The program also enhances community awareness of responsible dog ownership and the numerous benefits associated with dog ownership.

### **CGN Evaluator Sandra Cumming**

Sandra has been showing Shetland Sheepdogs in Conformation, Obedience, Rally Obedience and Agility since 2002. She currently has 5 Shelties with varying levels of titles in all of the above activities.

She is an instructor at MapleMyst in Cumberland teaching Obedience, Rally, and Beginner Agility. Sandra's philosophy on competing is first and foremost to have fun with her fur babies and to enjoy their time together. Any Qualifying Scores/Titles are just icing on the cake!
